Ref: #10410_90-2024

GRIPLINE®

Berdal produces Gripline buckets, tubs and rectangular tubs for intensive use. All products are manufactured in Europe and developed for use in construction.

The Original and Durable series are made from 100% recycled and certified plastic, recovered from household waste. This allows Gripline to combine reliability in use whiteh a reduced environmental impact, whitehout compromising on quality.

Whitehin the Gripline range, several series can be distinguished, each whiteh its own application:

- Original & Durable – products made from 100% recycled plastic
- Gripline-C – heavy-duty, certified products for intensive use, whiteh a 5-year warranty
- Gripline-F – flexible and versatile Flextubs
- Gripline-X – reinforced specials for specific applications

TECHNICAL DATA:

Content water:	90 L	Color	Black
Weight:	2880 gram	Material	PE/PP
Dimensional tolerance:	± 5 %	Diameter Top (A)	68,5 cm
Volume/weight tolerance:	± 5 %	Height (B)	35,7 cm
Itemcode	KUI00900-8001	Diameter Bottom (C)	52,5 cm
EAN	8713331604510	Pallet quantity	44

GRIPLINE®

PALLET CONFIGURATION (800X1200MM)

Pallet quantity:	44 Pcs.
Layers per pallet:	1
Stacks per layer:	2
Total per stack:	22
Pallet height:	120 cm

Custom pallet configurations are negotiable
